

Muhammad Arham Khan

Karachi, Pakistan
arham404khan@gmail.com | 03112868062

I am a skilled web developer with 3 years of experience in front-end and backend development. Proficient in various technologies including HTML, CSS, JavaScript, React.js, PHP, Laravel, Python, Flask, and machine learning. I have successfully delivered projects that enhance user experience and streamline processes. My expertise includes developing responsive web designs, creating user-friendly applications, and building efficient systems using modern web technologies.
